

Is AI a threat or an ally to designers and the industry?

Last week the Communications and Digital Committee met to discuss the future of AI in the creative industries so we have asked designers if they think AI is a friend or foe to the industry.

6 Reasons To Build A Working Model Of Your Solution

These days, everyone wants to be an entrepreneur, pitching their latest and greatest new idea, and looking for someone to give them money. Angel investors, like me, have long figured out that asking to see the prototype is a quick way to separate the 'wannabes' from serious players. Talk is...
